PERSONAL PROJECTS

Personal Portfolio
- This project shows you my skills and projects which I build. My portfolio link is in my details section.

Random Robos
- This project shows you random robot cards fetching from an API with inside slider and you can search your favourite robots in it also.

Magic Notes
- If you want an app where you can add your everyday tasks, update them, delete them or search any tasks Magic Notes will help you to do that.

Weather Forecast
- This app will show you the complete weather forecast including temperature, humidity, sunrise, sunset, windspeed and many more with the help of a Rapid API.
